Club Woman Reads Paper on Skin Diseases

From Chicago Record-Herald At the Home Help Club, Friday, the president, Mrs. Burnham, read a very interesting paper on the home treatment of skin diseases. She admitted at the first that she was at something of a disadvantage, not being a physician herself. but held the interest of her listeners very closely and was applauded when she gave patent medicines very hard blows. Mrs. Burnham has been following the acten- and the contract awarded. tific development of the citrox treatment very closely, and recommended it strongly for all kinds of skin diseases, it being simple and easily prepared at home. She gave the following directions for its use: Dissolve a teaspoonful of pure powdered citrox in two tablespoons hot water and bathe the diseased skin 20 minutes at a time twice a day. The solution must be made fresh each time and used warm, taking care to get the pure drug in scaled packages, just as it comes from the chemical works. According to Mrs. Burnham's observations it has no equal in tetter,
